This publication was compiled from abstracted birth information published in installments, in The Morgan Link (the chapter's news letters) for 20 years. The information was abstracted from Morgan County, Ohio Birth Record I, 1867-1884 by the late Charles Woodburn.

The publication contains approximately 20,000 births, and over 50,000 names, including the names of parents when indicated. The information was somewhat reformatted, and prepared for printing by Timothy Taylor and Richard Clifton.

In Memory of our recent losses of longtime active members:

Ruth Abel Hart, Joseph Hutchins, Bernadine Jones Myers, Ray Oliver, Elmer Gerlach & Charles Woodburn
